You are being provided with an excel report containing the list of entities that were listed on the requests for the gun-free decals, with the city, state, zip code, and the date of the request. The manual review of the several hundred addresses on this report constitutes a substantial disruption to agency operations. See *Spectraserv, Inc. v. Middlesex County Utilities Authority*, 416 N.J. Super. 565 (App. Div. 2010) (holding that an OPRA request was improper based in part on the enormity and complexity of the request and the substantial disruption to agency operations); see also *N.J. Builders Ass'n v. NJ Council on Affordable Housing*, 390 N.J. Super. 166, 181 (App. Div. 2007) (holding that disruption to an agency's operations may be inferred from the breadth, generality, and complexity of the request).
